AVVERTENZE GENERALI

it

Leggere attentamente le presenti istruzioni prima dell'installazione o dell'uso e conservarle fino a che il prodotto non verrà smaltito. Per ulteriori informazioni, consultare il sito www.kdesign-group.com.

1. AVVERTENZE E CONTROINDICAZIONI

• Prima dell'installazione o dell'uso verificare sempre che il prodotto sia integro, in perfetto stato e per l'uso consentito.
• Tutte le persone disabili o con limitazioni motorie temporanee o permanenti non devono utilizzare questo prodotto da sole: alcune parti del corpo potrebbero rimanere schiacciate, subire lesioni oppure la testa potrebbere rimanere intrappolata.
• Utilizzare il prodotto solo quando la temperatura superficiale è adatta all'uso: acqua calda, luce solare diretta, temperatura della sauna, freddo estremo, ecc possono far assumere alla superficie dei prodotti temperature che danneggiano la salute.
• Il peso del prodotto è inferiore a 10 kg
•Tutte le dimensioni sono espresse in cm, i pesi in kg e lbs.

2. DESTINAZIONE D'USO

• I prodotti sono forniti come supporto; servono come strumento per compensare la ridotta capacità e/o le ridotte prestazioni fisiche.

3. INSTALLAZIONE

• Il prodotto ed eventuali accessori devono essere assemblati o installati solo da installatori professionisti.
• Prima di installare il prodotto verificare che non ci siano parti danneggiate.
• Prima di installare il prodotto, l'installatore deve verificare che la parete sia integra, liscia, che non presenti giunti o piastrelle sporgenti, che la struttura della parete sia adatta all'installazione e non presenti punti deboli.
• Utilizzare i tasselli adeguati al muro in cui si vuole montare il prodotto.

4. UTILIZZO DEL PRODOTTO

• Il prodotto deve ricevere una regolare manutenzione e periodicamente deve esserne controllata l'integrità: i corrimano ed i maniglioni ribaltabili devono essere fissati stabilmente per dare supporto quando si è in piedi oppure per essere utilizzati come ausilio durante gli spostamenti.
• Non utilizzare il prodotto danneggiato, usurato, venato o rotto; in tal caso smaltire il prodotto.
• Prima dell'uso, assicurarsi sempre che il prodotto sia stabilmete fissato.
• Non superare la portata massima indicata.

5. PULIZIA E MANUTENZIONE

• Il prodotto può essere lavato con acqua tiepida e sapone neutro.
• Non utilizzare prodotti professionali per la pulizia, disinfettanti o prodotti abrasivi.
• È necessario che l'utilizzatore controlli periodicamente l'integrità e il fissaggio del prodotto.
• La barra di sostegno ribaltabile ha una frizione che deve essere controllata e calibrata periodicamente (v. pagina 14 di montaggio della barra di sostegno ribaltabile).

6. SMALTIMENTO

• Consulatare la vostra oasi ecologica al fine di smaltire correttamente il prodotto come da direttiva del vostro paese.
